

CBM Undergraduate Programs

Bachelor of Business Administration in Finance

The Bachelor of Business Administration in Finance is a 4-year undergraduate curriculum that prepares students for careers in industry, public accounting, government, and nonprofit organizations, as well as for advanced study. The goal of the Bachelor of Business Administration in Finance is to provide students with a foundation in business with an emphasis in finance. The use of problem analysis, critical thinking, communication skills, and technological skills is emphasized to analyze ambiguous situations and provide relevant business alternatives. Graduates of the Bachelor of Business Administration in Finance can pursue a wide range of activities including auditing, accounting, financial planning, budgeting, and management consulting.

Program Learning Outcomes (PLOs)

Graduates of the BBA in Finance program are expected to achieve the following knowledge, skills, and professional competencies:

- ✓ Demonstrate critical theoretical and practical knowledge of practices, concepts, and theories in the business field with a focus on finance.
- ✓ Effectively apply the concepts and principles of business to practical applications that may include – but are not limited to- financial analysis, budgeting, forecasting, investment management, capital budgeting, and risk management.
- ✓ Critically synthesize complex information into meaningful business perspectives that facilitate actionable solutions.
- ✓ Develop ability to utilize relevant software and technological aids to analyze data with specific applications in finance.
- ✓ Demonstrate effective oral and written communication skills, including the ability to develop sound and coherent arguments in the context of business through formal or informal presentations and/ or other forms of written communication.
- ✓ Demonstrate the ability to work professionally, ethically, and effectively individually as well as in a team in familiar and unfamiliar contexts to achieve specific outcomes.
