Non-attendance of classes does not imply that the student has dropped the course, and the tuition and fees will be applicable.

In the event a student withdraws from a course after the add/drop period, the student will not be refunded for the tuition and fees of the course.

### Withdrawing from the Semester/University:

In the event a student chooses to completely withdraw from the university or a semester, the following refund schedule will apply for the tuition and fees excluding the non-refundable fees and deposits:

Schedule	Refund

After the Add/Drop period	0%

All refund requests will be processed within 20 working days.
