

HOW-TO: View past enrollment courses in Canvas

This guide explains how to View past enrollment courses in Canvas from the learning management system ([Canvas](#)) to view past courses materials.

Step 1: In Canvas Open the Navigation Menu: Click on the Courses icon (represented by an open book) on the left-hand global navigation sidebar.

Step 2 Access the Full List: In the pop-out menu that appears, click the All Courses link located near the top left.

Step 3: View Past Enrollments: Scroll down the main page past your current enrollments until you reach the Past Enrollments section, where your previous semesters and archived classes are listed.
