"WHY AUBH?"

MODERN CAMPUS

Support with state-of-the-art facilities for research and study.

CREATIVE LAUNCHPAD

Support for the challenges and solutions of engineering, IT, and innovation.

DEI CERTIFICATION

Support for the challenges and solutions of research and innovation.

GLOBAL RECOGNITION

Support for the challenges and solutions of research and innovation.

OUR NETWORK

UCLA is proudly joined by numerous national research world-class leading programs dedicated to equity education to provide students of various backgrounds with study abroad and research opportunities to students with programs, research, and career opportunities.

These partnerships create hands-on learning opportunities that encourage with 100% effort in leading projects with local people and a global education with open access. Students also receive international education through various international study travel programs, providing them with diverse design and research solutions.

HIT PARTNERSHIP

Partnered with HIT to deliver world-class innovation and design.

GAMING POWERHOUSE

Partnered with Epic Games to deliver gaming innovation and research.

HEALTHY CAMPUS

Partnered with WHO to deliver world-class research and design.

INNOVATION LAB

Partnered with Intel to deliver world-class research and design.
